In consideration of the Board undertaking the financing, construction and maintenance of this water system,
I/we:

1. Agree to pay a water deposit of \$150.00 and a turn on/set up fee of \$15.00, said meter deposit being refundable in accordance with rules and regulations of the Board.
2. The undersigned, if registered owner of real estate, agrees that he/she will grant the Board an easement for the water lines over, under, or across any real property bounding the planned service line or connection of the Board.
3. Agree to disconnect any other water source from my residence, as it is prohibited by the Arkansas Department of Health.
4. Agree to install and maintain at my, or registered owner's expense the necessary service line to cross the property described above which is owned or occupied by me/us to be connected with the water system.
5. Agree to use the water in accordance with rules and regulations established by the Board and to promptly pay for the water at the applicable schedule of rates. I am aware I am responsible for all water going through the meter and I understand the company does have a one-time per account per year leak policy.
6. Agree to keep the meter accessible to company personnel. (examples: no dogs chained near meter, fences must have walkovers or gates, if I lock my gate I will provide key or have a chain with company lock) I understand if I do not keep the meter accessible I may be charged a fine or my meter may be estimated.
7. Understand that if I do not pay this bill the company will take any and all actions possible to reclaim payment for this debt.

I understand that due to ACT 769 of 2003 when a person is delinquent on the payment of an undisputed bill for water service provided by a water system within this state, moves into another area of this state, and that person applies for or received water from another water system, if the persons former water system establishes that there is no dispute that the delinquent amount is properly due and owed by that particular individual in that amount, the new water system shall refuse to provide water service to the delinquent person until the person provides proof of curing the delinquency. *(At your request a copy of this Act can be provided to you)*

If we receive notice from another water system that you have a delinquent bill and we are requested to notify you on their behalf, a service charge of \$25.00 shall be collected. If we don't receive proof of the delinquent bill not being settled within five (5) days service shall be discontinued and an additional charge of \$50.00, reconnection fee, will be charged and collected before service is restored.
